General Information

TIME AND PLACE: Saturday, October 21, at Millar Farms, Keene, Ont. Sale starts at 12:30 p.m.

LUNCH: Will be available.

SALE HEADQUARTERS: The Rock Haven Motel, Peterborough, Ont. We also recommend the Holiday Inn, Tops, Golden Nugget and Karwatha Motels. Write directly for reservations or to the sale manager.

AUCTIONEER: Dick Kane, Wisner, Neb.

GUARANTEE: All cattle are sold under the standard guarantee endorsed by the American Shorthorn Ass'n.

HEALTH: All animals will be sold to comply with the regulations of any province or for entrance into the United States.

TERMS: The terms of the sale are cash. Checks should be handed to the clerk immediately following the auction. Please be sure to have the clerk record your shipping instructions and transfer information. All announcements at sale time, written or oral, supersede any written material in this catalog.

LIABILITY: The consignors to the sale, their helpers or employees accept no liability for accidents that may occur. Accidents at cattle sales are very rare, but all attending must do so at their own risk. The sale manager, auctioneers, ringmen, clerks and others, were employed by the owners for specific tasks, promotional and clerical, and have no connection with the handling of the papers. The sale of each animal constitutes a contract between the buyer and seller of each lot although the sale manager cannot be responsible for fulfillment of that contract. All cattle are at the risk of the new owners as soon as bid off but every effort will be made to provide for their safety and well-being.

TELEPHONES:

Lorne J. Pimmett, Indian River, Ont.: (705) 295-6229

Jack Millar, Millar Farms, Keene, Ont.: (705) 295-6565

Use this telephone on sale day.

DELIVERY: The consignors will be happy to hold the cattle free of charge for a reasonable length of time. Group shipments can be arranged with Canadian breeders who will be showing at the International in November.

FURTHER INFORMATION: The owners or sale manager will give you their critical appraisal of any cattle listed in the auction.

MAIL BIDS: We hope it will be possible for you to attend the sale. If it is not, there are many competent and reliable representatives to whom bids may be sent. Each of the following will attend the sale.

E. H. Stoltz, executive secretary, Canadian Shorthorn Ass'n, Gummer Building, Guelph, Ont.

C. D. Swaffer, executive secretary, American Shorthorn Ass'n, 8288 Hascall St., Omaha, Neb.

Harris Simons, The Shorthorn World, 16 S. Locust St., Aurora, Ill.

W. L. Elliott, secretary, Ontario Shorthorn Club, R. 4, Guelph, Ont.

Dick Turner, Free Press Weekly, Toronto, Ont.

Gene McDonald, The Shorthorn World, 16 S. Locust St., Aurora, Ill.

INSURANCE: Will be available at the sale.

PREMIUM ON U.S. FUNDS: The U.S. dollar in Canada is at a premium of roughly seven per cent. This exchange differential more often than not pays the buyer's cost of getting the animal home.

TRANSFER OF PEDIGREES: Following the sale the consignors will provide at their expense pedigrees transferred to the name of the new owners in the Canadian Shorthorn Herd Book. Further transfer to the U.S. herd book is at the expense of the new owner.

SOCIAL HOUR: Join your hosts at a social hour at 7 p.m. on Friday, October 20, in the Rock Haven Motel, Peterborough.

Welcome to Strathore-Millar-Allendale Sale

To our Shorthorn friends everywhere, we wish to welcome you to our second annual sale.

It is a pleasure to have Allendale Farms join us in presenting a strong draft from their well-known, young herd. Together we believe the three herds are presenting one of the best offerings this season . . . at least this has been our sincere endeavor.

Although we are proud of our past achievements, 1967 has undoubtedly been our greatest year.

After topping our 1966 sale with 1/3 interest being retained, Cruggleton Flashback's first calves have arrived at Strathore. That he is the beginning of a brand new era, there can be no doubt. He's the most talked of young bull on the show circuit this year. We do hope you can come on October 21 . . . if only to see Flashback and his calves!

You'll also want to see the recent addition of the old, highly-regarded Master Feeds Farm herd, which Strathore and Millar Farms purchased this spring. Included were many AA cows plus 15 daughters of Scotsdale Kirkness and daughters of four other Scotsdale sires!

In the group at Millar Farms were all the yearling females, a number of which have already been sold. With their limited accommodation for the winter months they offer the balance of them in this sale, mated to Strathore Rosewood Robin, our model of perfection in a Shorthorn bull in 1967!

They also part with three of the top Master cows, as a sample of their quality.

The balance are all retained in order that we can now make full use of all our stock bulls . . . a battery we feel confident is second to none.

Although we insist that most of our pedigrees carry a liberal infusion of Cruggleton blood, we must acknowledge the great results from the stock bulls purchased from Louada Manor Farms and the cooperation of the fine folks that own that world-famous farm.

Come early. Make this the greatest Shorthorn week ever. Join us at a social hour on Friday, October 20, in the Rock Haven Motel, Peterborough. Attend our sale on Saturday, October 21. Then on to Louada October 22 and 23.

Strathore Shorthorns Are Bred

The October 21 sale marks the 26th anniversary of Strathore Farms, but even more important is that those years have been marked by significant achievement not only in Ontario but also on a national basis.

The original foundation came from the famed Gardhouse herd at Aberfeldy, Milton, Ont. In the following years, additions have been made from nearly every significant herd and every major bloodline in North America. These have been molded together carefully until today the name Strathore stands for prime quality,

economical production, sound breeding and the promise of the ability to "breed on" through succeeding generations. How well the Strathore cattle have bred on is amply demonstrated throughout the catalog. Be sure to note how many International champions have come from Strathore cows!

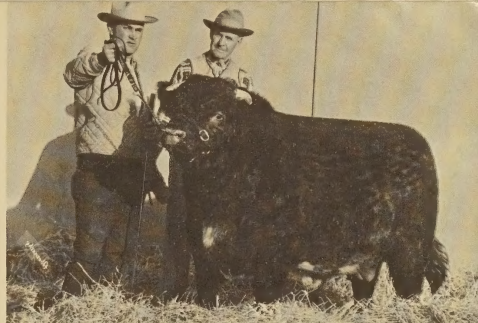

Strathore itself is the only herd ever to show both grand champion females at the Royal Winter Fair in the same year. Their 1967 successes have been equally as important, capped by Cruggle-

ton Flashback's winning the reserve grand championship of the Canadian National Exhibition in August. Each year the Strathore Shorthorns acquit themselves well at the C. N. E., the Royal Winter Fair, the International and the Canadian International bull sale.

The Shorthorns at Strathore today are a family operation with Lorne Pimmitt carrying on the herd founded by his late father. Just down the road, where the October 21 sale will be held, are Mr. and Mrs. Jack Millar and their children, Johnnie and Bonnie. Mrs. Millar is Lorne's sister and their herd was founded as a pro-

ject for young Johnnie. However, the herd has grown to a substantial one. The recent joint purchase of the well-known Master Feeds Farm herd puts more than 300 head on the three farms. In other words, these people mean business and are operating on a large scale. Its just a matter of good cattle, good people and good Ontario land.

The cattle you see on October 21 will amply prove the success of the program.

Maplelure Snow King was reserve grand champion Canadian-bred bull at the recent Canadian National for Allendale. He sells as Lot 11

ALLENDALE: Built on Quality

Few herds can lay claim to the magnificent foundation at Allendale — both Shorthorn and Polled Shorthorn. From all over the United States, Canada and Scotland have come females of the first magnitude.

The list of champions and top-sellers at Allendale would fill pages. In addition Allendale includes the entire Briardale herd of Mrs. Torrance Beardmore. Also included are a draft of ten females from Dave Garriott's strong Ox Valley herd at Scottsburg, Ind., and the entire Maplelure herd of Garnet Stonehouse, Owen Sound, Ont.

Grand champion female at the recent Ottawa Exhibition for Allendale was the beautiful Butte Lea Franny 4th x. Heifers like these are typical of the Allendale herd. These sold in the 1966 sale.

Heifers like these are typical of the Allendale herd. These sold in the 1966 sale.

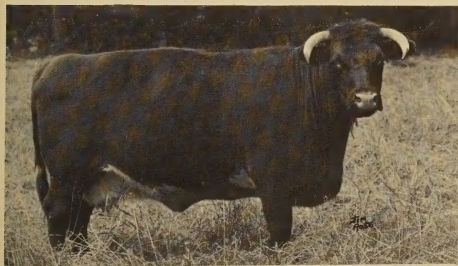

It would be reasonable to assume that this foundation includes a wide variance of type and conformation. However, a brief walk through the herd will prove its amazing uniformity.

Today the program is paying off with champions like the reserve champion Canadian-bred bull at the recent Canadian National Exhibition, the grand champion female at the big Ottawa show and more.

But most important to Allendale and to the future of the breed is the great crop of young calves now arriving by the International supreme champion Aberfeldy Field Marshall, AAA. You'll have a chance to acquire his valuable service on October 21 in the choice Allendale draft to this sale.

Ken Allen receives the trophy for the reserve grand champion Canadian-bred bull at the C.N.E., Mapelure Snow King, Lot 1.

Ettrick Princess Beatrice was first-prize mature female at the Canadian National for Allendale. She sells as a special feature, Lot 51.

Some of the world's greatest polled females are at Allendale. From left are the \$6,600 Camson Primrose 2nd x; the \$4,500 Breck's Zoe x and the \$2,500 Gloriadale Claret 11th x.

TRAIN AND PLANE INFORMATION

Air Canada, United and American airlines have many flights a day between Chicago and Toronto, leaving from O'Hare Airport.

In the eastern part of the country, there are direct flights to Toronto from New York and Cleveland. Excellent service also from the Canadian West and East.

You can take a railway sleeper out of Chicago to Toronto and return the same way. Trains generally leave Chicago about 8 p.m. and arrive in the morning. The train from Toronto to Chicago leaves about 10 p.m. Since schedules are subject to change, please check exact departure times.

The present super-highway system makes the drive a good deal easier than ever before. We would like to point out, however, that the cost of a round trip airline ticket from Chicago-Toronto is only about \$55. Rail is about the same. Traveling alone, it is difficult to beat this by car.

There is good service but there are changes in schedules and we shall not attempt to give you times here. If you have traveled to Toronto by train and find that you can make a good connection on to Peterborough, it will probably be best for you to do so because it is a fast train.

Those arriving in Toronto by plane would do well to take the limousine from the airport to the Royal York Hotel which is just across the street from the railway station. Fair trains operate frequently to Peterborough. If you are to encounter a long delay call Millar Farms, (705) 295-6565 and we will arrange other transportation for you.

If you are without transportation upon arriving in Peterborough, contact the farm. On sale day cars will leave from the motel area at approximately 8:30 a.m. and 9:00 a.m.

**All train and plane information given here is approximate.
Be sure to check with your ticket agent for exact times.
Because schedules change, we cannot quote exact times.**

It is a sincere pleasure to work with fine folks like the Pimmetts, Millars and Allens in the preparations for this joint production sale.

Strathore is marking its 26th year in the Shorthorn business and with young Johnnie and Bonnie Millar coming on, there will be Shorthorns on the two farms for years to come. These are fine folks who work hard and that hard work has paid off. The two farms are home for more than 300 Shorthorns with the recent addition of the Master Feeds herd. The management is practical and the cattle are raised to make money both for their breeders and for their new owners. How well they have bred on for others is well-demonstrated elsewhere in the catalog.

You'll be impressed with the grand young bulls on the two farms. They are bulls of size, substance and real beef characteristics that mean high feed conversion and added profit.

Both Strathore and Millar farms are selling good cattle that will be sound values for the money. Just look at how successful others breeders have been with their productions.

The two herds are joined by Allendale with a fine 20-head draft headed by their recent winners at the Canadian National Exhibition. Allendale has been carefully assembled and its stock bulls are world famous. Travel to their farm the day before the sale if at all possible. You'll see a calf crop that promises well for the future of the herd and of the breed.

With this sale the Saturday before Louada's fall auc-

Millar Farms is about a 10-minute drive east of Peterborough, Ont. Take Highway 7 east from Peterborough to the old Keene road, and then south past Strathore to Millar Farms. Signs will mark the turn-off from Highway 7 onto the Keene road.

CRUGGLETON FLASHBACK is shown winning the reserve grand championship at the 1967 Canadian National Exhibition. His service is a sale feature.

CRUGGLETON FLASHBACK — He was imported in dam when we purchased Lakeview Paul and Lakeview Apogee from Lakeview Ranch, Odessa, Wash. We knew he was a stock bull at birth but with Paul and Apogee breeding to our complete satisfaction he was sold to Eric Batten, Lakefield, Ont., in our sale last year at the top of \$2,400 for 2/3. The most popular young bull to hit the Canadian show circuit in years, he has won the Ontario Short-horn Club banner for supreme championship at Peterborough and Ottawa and the reserve grand championship at the Canadian National Exhibition, 1967. His grandsire was rated the top bull at Perth the year he was purchased by Mains Farm. He is a half brother to Bapton Constructor. His dam is backed by the greatest concentration of Cruggleton sires that can be found in a pedigree today. His first calf was born at Strathore New Year's day. Like those that followed, he is a near model of perfection. They mark a brand new era for Strathore Shorthorns and the breed. He and his first calf will be shown at the International. Be sure to see them there as well as on sale day.

STRATHORE LADY VIOLET 2nd is the first calf by Cruggleton Flashback whose calves promise a great new era for Strathore.

LAKEVIEW PAUL — Imported from Lakeview Ranch in Washington he is by a son of Beaufort Bog Oak that weighed 2350 pounds, and lived until he was 15 years old. His dam and full sister were selected to rebuild the great Mains herd in Washington. Cruggleton Garvie by Cruggleton Elvin left grand females at Lakeview that would be the envy of any breeder. Lakeview Paul's tremendous thickness, smoothness and substance won him the grand championship at Markham Regional Show 1964, his only time shown, where several top cattlemen called him the best Shorthorn bull to step into a show ring in 15 years. His calves are very much like him and only four daughters are offered, the rest are all being retained as replacement females. They are the thickest, smoothest, most easily fed calves we have ever had.

LAKEVIEW APOGEE — Probably no bull living today carries a stronger concentration of Cruggleton, Kirkton and Calrossie — great blood lines all combined in one pedigree. There's no wonder he has the stock bull look written all over him. His first calf old enough to show topped the 1966 sale of females at \$1,535 to Cyrus Eaton's Acadia Farms, Northfield, Ohio, after being grand champion female at Ottawa. Most of our 1968 show herd will be by him.

Left — Louada Bequest.

Right—Strathore Cherry Blossom is one of the last daughters of Louada Bequest. She was junior champion at Ottawa this year and is out of the same cow as Cruggleton Flashback that came from Lakeview Ranch in Washington.

LOUADA BEQUEST — Not only one of the biggest sons of Bapton Constructor, but one of the best, he undoubtedly has done more for our herd than we ever thought any bull could do. Louada Blood Royal, by Louada Marshall was the first calf from this great family born at Louada and also produced the \$4,600 Louada Commodore. One of her sisters was the dam of the \$13,000 International champion Louada Bomber, another maternal sister sold at \$5,000 to Northwood. This great old bull is gone, but we have held back Strathore Power Drive, his son most like him, that is out of Strathore Rena Violet by Louada Grand Slam. Her full sister went to Northwood and the late Otto Grosse called her his pick of the good Gardiner herd when he purchased it.

Marked for future herd bull duty are two full brothers out of Fairy Flora and by Louada Royal Leader, both pictured above.

Fairy Flora was purchased at \$1,750 in the 1966 Louada Sale. She is by the renowned Uppermill Seafeld from the respected old James Durno herd in Scotland. Her dam is a daughter of Uppermill Metaphor.

When purchased at Louada, Fairy Flora had at foot a great Louada Royal Leader bull calf named **Louada Rajah**.

Remated to Royal Leader, she has just dropped another bull, **Strathore Good Year**, that money cannot buy. Both will be retained as junior stock bulls at Strathore.

Remember, Louada Royal Leader, junior stock bull at Louada, is by Louada Rothes King and is out of the immortal Blood Royal 33rd that produced as many great stock bulls as any female in modern history. Strathore's Louada Bequest was also from a Louada Blood Royal so there will be a touch of line-breeding in the future Strathore program.

STRATHORE ROSEWOOD ROBIN

STRATHORE ROSEWOOD ROBIN — Sired by a Blood Royal son of Bapton Constructor and out of our favorite cow, Strathore Robbie Rosewood, a maternal sister of the many-times-champion, Strathore Knockout. Two of her daughters are retained and a third, Strathore Paula Rosewood, sells as a special attraction. This great bull comes by his championship form naturally. Though he broke his right front leg at the ankle and ran with the breeding herd, he went through Peterborough, Ottawa, Lindsay and Markham Regional Shows undefeated grand champion bull as well as a member of the undefeated group of four and get-of-sire at the same shows. His dam also won her class three times, twice being grand champion female. A great show bull, several of his first calves sell. His second crop proves him an even greater breeding bull. He'll be on display sale day and we feel his great quality, character and balance will amaze you. Our confidence in him is such that nearly 100 females will be pasture mated to him this year. Be sure to see his baby calves this year!

ABERFELDY ARMADA — Classified AAA, Allendale acquired him with the purchase of the entire Briardale herd where he had done an excellent job. He is a son of the Calrossie Forward March that, for Reford Gardhouse, produced many show winners. His dam, Royal Clara, produced Aberfeldy Control — C. N. E. champion in 1961 and Aberfeldy Welcome, senior herd sire for MF Farms, Milliken. A daughter topped the Aberfeldy sale in 1953 at \$2,000 to Louada Manor Farms. There are several top females in this sale by Armada that could go into any herd and look great.

ABERFELDY FIELD MARSHALL, AAA — Is a son of an AAA bull and out of an AAA cow. He was grand champion at C. N. E., Royal Winter Fair, and Chicago International, in 1965. Aberfeldy Royal Robin, his sire, is a known champion and the sire of many champions. He has established a record that will be hard to beat. Field Marshall's service is offered with several females selling in this sale.

LOUADA DEBONAIR

LOUADA DEBONAIR — Has a very rich pedigree, coming from the Blood Royal family on the dam's side. His sire, Kinellar Royal Robin, herd sire at Royalty Farms, is a son of Bapton Roan Robin, that was the first son of Bapton Constructor retained as a stock bull at Bapton. After a highly successful career at Bapton, he was sold for export to Ian McLeod, New Zealand. Debonair is a brother to Louada Randolph used in the True Buckmaster herd. His dam is Blood Royal 20th, a full sister to the \$30,000 Louada Bonaparte, sire of Louada Rothes King, successfully used in the Louada herd. Debonair's sons have the herd bull stamp about them.

Aberfeldy Gold Dust

ABERFELDY GOLD DUST, left, is owned in partnership with Georgia's Dr. A. R. Haight. He was purchased at \$5,000 in the Lewisfield Dispersion in February where his first calves won universal acclaim. He is by Aberfeldy Royal Robin, AAA, and is out of a Saltoun Queen of Rothés that also produced Aberfeldy Drum Major in service for Roger Applegate of Iowa and Aberfeldy Editor in service for Creek Shorthorns of Indiana.

Camson Highlight x

CAMSON HIGHLIGHT x, right, heads the Polled Shorthorn herd at Allendale. He may well be the world's best son of the \$18,000 International grand champion and AAA Dandy of Westdrums x. His sons and daughters are approaching sale age and, as an added bonus, 90% are polled. His dam is the all-time record-priced Camson Primrose 2nd x that sold at \$6,600 to C. W. Farmer and which Allendale acquired with the purchase of that herd. Highlight was purchased as a baby calf at \$7,500 in the Camson dispersion.

MAPLELURE SNOW KING — A son of the AA Belview Augustus that was a son of Bapton Constructor that sired countless stock bulls in North America. His dam has won a great many shows in Ontario and is one of the best breeding cows Allendale has on the farm. She has two sons, full brothers to Snow King, doing tremendous jobs for their owners — Hugh Miller, Claremont, Ont., and Floyd Price, Gower, Mo. Snow King was reserve senior champion at Ottawa, and stood second in a strong two-year-old class at the Canadian National Exhibition, and went on to win the challenge trophy for reserve champion Canadian-bred Shorthorn bull.

BRIARDALE WAINSCOT — A son of the AAA Aberfeldy Armada. This is a bull with a tremendously good head with great thickness. He carries his depth and width from his shoulders right through to his hind quarters. This bull will do a great job in any herd anywhere. Allendale is only putting two bulls in this sale but they are of the right type to meet the requirements of today's cattle industry.

STRATHORE CAVALIER — He was perhaps our best 1966 bull calf and we were a little too good to him in the early winter. After a set-back he is coming fast again. Being out of one of our two favorite cows, he is bound to be a breeding bull. His dam's first calf was grand champion Peterborough. Another topped the Ontario Invitational sale in 1965 to Allendale Farms, where her calf by Lakeview Paul is a real eye-catcher.

STRATHORE PAULA ROSEBUD — Typical of the Lakeview Paul calves, they are the thickest, smoothest, most easy-feeding we ever had. Her dam, by the many times champion Strathore Knockout, was grand champion everywhere shown in 1960 except at the Royal Winter Fair where she was second to Scotsdale's champion female. She is the dam of females purchased by Thieman's Polled Shorthorns, Truman Kingsley, Borsota Farms, and George McLeod, St. John, N.B. Safe in calf since July 12 to Cruggleton Flashback, that topped our last sale at \$2,400 for 2/3.

STRATHORE CECILIA STARLIGHT — Perhaps as close to a model of breed perfection as any female to sell this year. Lakeview Apogee sired our Ottawa grand champion last year, Strathore Bonnie Violet 16th, that topped our 1966 sale at \$1,535 to Cyrus Eaton's Acadia Farms, Northfield, Ohio. There she is admired by all who see her. The dam is one of those great daughters of Bapton Constructor and out of Charming Cecilia, the 1955 Canadian National Exhibition reserve grand champion female by the 1951 Canadian National Exhibition grand champion Louada Barnone. From a family noted for beautiful heads and horns. We mated her to Strathore Power Drive August 4 to retain this great feature.

STRATHORE PAULA VIOLET — We don't intend to part with many daughters of the Markham Regional grand champion Lakeview Paul. Their uniform breed character, thickness and balance is almost unbelievable. Her dam was three times senior champion at Ottawa and is now in her fourteenth year. Martin Lunstra, Minn., says the best breeding cow he ever owned was her first calf. Two more sisters, pictured, were senior champion, at the New York state fair in 1965 and junior champion at Peterborough in 1960. Paula Violet was third at Peterborough to two more Strathore females. Mated August 1 to Cruggleton Flashback, supreme champion at Peterborough and Ottawa and reserve grand champion at the 1967 Canadian National Exhibition.

STRATHORE ROSEMARY 2nd — One of the last daughters of Louada Bequest we'll ever part with. She's much like her full sister, one of the favorites in last year's sale, purchased by John Walton, Unionville, Ont. She'll make a grand big cow and good milker. Mated to Cruggleton Flashback, whose first calves dropped at Strathore you must see.

Best pair at the 1962 International were S & T Augusta Dot out of Strathore Augusta Dot, and S & T Pacemaker 12th, a grandson of Strathore Anne of Lancaster 3rd. Lot 17 is a maternal sister to the dam of Augusta Dot.

STRATHFIELD AUGUSTA LASS — Ask anyone who owns a Saltoun Augusta, they'll tell you how reliable they are. A maternal sister sold to Malcolm Tucker & Son, where her first daughter S & T Augusta Dot, twice won her class in Chicago and was a member of the best pair, bull and female in 1962. Another sister is one of our best brood cows and is granddam of a Lakeview Paul bull calf earmarked as junior stock bull at Strathore. She is quite growthy and will likely be mated to Cruggleton Flashback.

STRATHFIELD ROAN LADY — From a great old family of reliable females. The granddam is still producing in her 16th year. The dam, a little bigger female and good milker is by Zoe's Foreman, a son of Louada Foreman (that bred so well for Roslyn Flett) by Calrossie Armada. Strathore Sky King, sired our grand champion female at Peterborough in 1965. Will sell bred to Cruggleton Flashback, reserve grand at 1967 Canadian National Exhibition; supreme champion Peterborough and Ottawa.

STRATHORE PAULA ROSEWOOD — Here she is, an own daughter of Strathore Robbie Rosewood, one of the greatest show and breeding cows of all time. She was grand champion at Peterborough in 1966 and supreme at Lindsay in 1965 under that master cattleman Maurice Baker. Also grand champion at the 1965 Markham Regional under Angus Muir, the same day her son, Strathore Rosewood Robin was grand champion bull. After making the show circuit at foot with her dam, Paula Rosewood got a slow start, but she is coming fast now and could easily make as great a cow as her dam. Strictly a Marshall and Beaufort background. What a calf she should have by Cruggleton Flashback, the most talked of show bull on the circuit 1967.

Master Josephine retained at Millar Farms is considered the best breeding cow in the Master herd. In calf since June 17 to Strathore Rosewood Robin.

Top Quality Comes With Top Quality Females.

Few of the world's great herds have been assembled with the care and precision that has gone into the founding of Allendale. From all over the United States, Canada and Scotland have come foundation females of the greatest magnitude. The cow herd at Allendale is built around such illustrious females as the \$6,600 Camson Primrose 2nd x, the \$4,500 Breck's Zoe x, the \$3,300 Camson Primrose 4th x, the \$3,000 Boll Weevil Golden Chain 4th, the \$2,600 Boll Weevil Golden Chain 5th, the \$2,600 Lewisfield Pauline, the \$2,600 Denend Muriel Wimple, the \$3,200 Aberfeldy Bonnie 3rd, the \$2,600 Gloriadale Claret 11th x, the \$2,000 International grand champion PS Lavender 105 x and many, many others. Allendale has spared no time, money or effort to assemble the greatest cow herd in the world.

These are the kind of females that have more than proved their worth in the show ring, as holders of popular pedigrees and as steady, economical producers.

In 1965 Allendale purchased the entire Briardale herd from Mrs. Torrance Beardmore, Mono Hills. This herd was acknowledged as possessing some of the area's most powerful, regular-producing females. Other recent Allendale purchases included 10 females from Dave Garriott's strong Ox Valley Herd in Scottsburg, Ind., and the select Garnet Stonehouse Maplelure Herd, Owen Sound, Ont.

With females like this, coupled with Allendale's stock bulls of equal stature, the offering in this sale, as well as the future Allendale productions, is insured now and for years to come.

From left are Briardale Clara Belle 3rd sold to Jerry Crickman, Hammond, Ill., and Glenkair Brawith 12S sold to Mr. and Mrs. Dean Stauffer, Salina, Kan., in the 1966 Allendale sale.

ETTRICK PRINCESS BEATRICE was first-prize mature female at the Canadian National Exhibition. She sells as Lot 51.
